

Monochrome Multifunction Printer

The right fit for your business

Work smart, secure and sustainably with the Sharp MXB429W monochrome document system.

Built to meet the demands of today's modern workplace, the Sharp monochrome MXB429W document system makes it easy for teams to collaborate, share information and stay productive while remaining secure and efficient with scalable solutions that fit your business needs.

Easy-to-use Touchscreen

The easy-to-use Sharp touchscreen display 4.3" (diagonal) delivers an accurate highly intuitive user experience. Easy UI mode offers quick access to frequently used functions on this customizable touchscreen display.

Versatile Functionality

The MXB429W leverages an embedded solution platform that supports third-party solutions such as PaperCut and an advanced scanning utility. Hallmark features that enhance usability, streamline workflows, and support scalable solutions include:

- Duplex feeder
- PostScript
- Wi-Fi
- Microsoft OneDrive for Business
- Google Drive
- Dropbox
- Box
- AirPrint

Leading Security

In today's hybrid working environments, it's vital to protect endpoint devices from security threats, which is why Sharp provides the latest security technology standard. Advanced enhancements help ensure your data remains safe.

- Trusted Platform Module (TPM)
- System integrity checks
- Cryptographic capabilities

In Step with the Environment

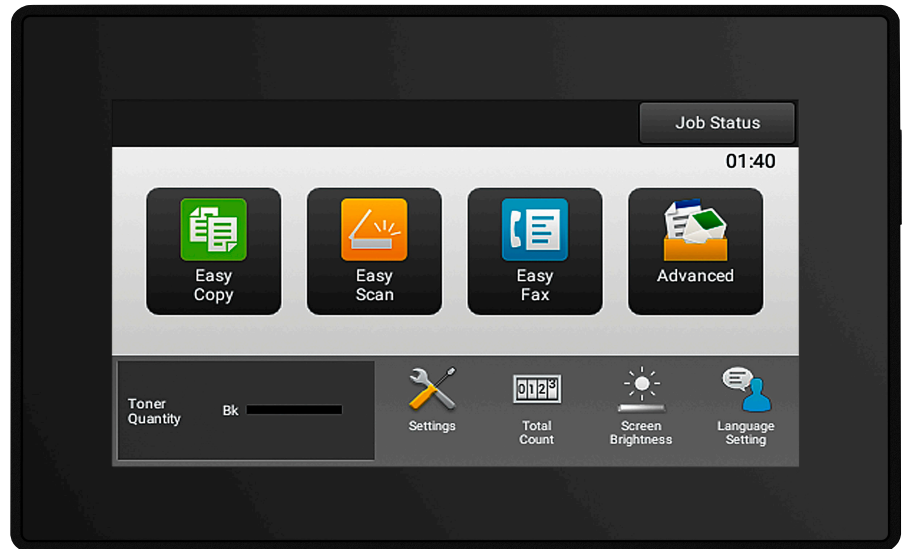

Automatic two-sided printing is standard, along with built-in energy-saving modes that help support ratings of EPEAT Silver and ENERGY STAR certifications. Check www.sharp.ca for the latest environmental updates.

Intuitive user interface enhances efficiency

Customizable interface designed for today's hybrid workforce needs.

- ✓ Work more efficiently
- ✓ Access a customizable interface
- ✓ Easily access PaperCut print release

4.3" (diagonally measured) customizable touchscreen display.

MXB429W shown with 2-drawer paper deck.

- Standard copy, print, scan and fax capability.
- 4.3" (diagonal) colour touchscreen with adjustable viewing angle offers smooth tablet-style interaction.
- 50-sheet duplexing single-pass feeder.
- Scan 2-sided originals at speeds of up to 92 images per minute monochrome or scan 2-sided colour originals at up to 46 images per minute.
- Supports letter size, legal size and envelopes through the standard paper drawer or bypass tray.
- Protect your intellectual property: a wide range of security features help to keep your information safe.
- Expand output by adding the optional 550-sheet paper tray that increases the maximum capacity to 900 sheets.
- Print popular file formats: BMP, DCX, GIF, JPEG, PCX, PDF, PNG and TIFF directly from USB drives.
- Reliable, flexible media handling supports cardstock, small media, and envelopes from the main tray or multipurpose feeder.
- Supports popular mobile technologies enabling users to easily print files from smartphones, tablets, laptops and Apple AirPrint.
- ENERGY STAR® certified and offers among the lowest standby power consumption in the category.

Smart · Secure · Sustainable

Integrating technology and functionality

The MXB429W multifunction printer works for your business.

Duplexing Single Pass Feeder (DSPF)

50-sheet document feeder scans both sides of a document in a single pass and scans up to 96 images per minute monochrome and 42 images per minute colour.

Wired and Wireless Networking

Standard Gigabit Ethernet and Wi-Fi network capabilities offer flexibility.

Device Management

Sharp Remote Device Manager (SRDM)* gives administrators remote access of their networked multifunction printers (MFPs) and printers.

Smart Touchscreen

Enhanced colour touchscreen is easy to use and provides quick access to features and functions with a tilting control panel.

AirPrint and Android Compatible

Simplified mobile printing with Android and AirPrint features.

Paper Handling

Paper drawers feed up to 8.5" x 14" paper. Holds a paper capacity up to 900 sheets with optional paper tray.

Multi-layered Security Features

The standard TPM provides authentication, system integrity checks, and cryptographic capabilities to create a unique digital system fingerprint.

Easy Access to Cloud Services

Print and scan documents to popular cloud applications directly from the control panel such as Microsoft OneDrive for Business, Google Drive™, Dropbox and Box.

Adjustable Stand (optional)

*Some features of SRDM are not available.
