

Colour Multifunction Printer

Business ready, flexible compact design Integrating security and professional quality output into hybrid workspaces.

Ready to meet the needs of tomorrow's hybrid business, the BPC131WD provides quality output with enhanced performance and reliability to get the job done seamlessly and securely, saving time and money. This desktop colour multifunction printer is manufactured with approximately 50% recycled plastic, patented organic toner technology and enhanced energy efficiency rating above government requirements.

Ease-of-Use: Intuitive 4" (diagonal) touchscreen display offers a user-friendly graphical interface with simplified Easy Modes, easy-to-use interface and access to network services.

Productivity: Packed with features in a small size, the BPC131WD multifunction printer offers features including mobile printing, two-sided scanning and standard PostScript compatibility. Now any home or executive office user has access to professional grade functionality regardless of how much they print.

Environmentally Responsible: Document system built using approximately 50% recycled plastics, Energy Star® certified for advanced power management and a patented low waste toner system.

Standard desktop configuration.

Easy-to-use 4" touchscreen with tablet style menu.

Front USB port for easy direct printing from memory devices.

A compact design with versatile all-in-one functionality.

- Printing speeds of up to 31 pages per minute.
- Intuitive 4" (diagonal) colour LCD touchscreen offers print preview menu to print documents with precision.
- Supports letter size, legal size and envelopes through the standard paper drawer or bypass tray.
- Supports popular mobile technologies, enabling users to easily print files from smartphones, tablets and notebook computers.
- 50-sheet bypass tray for envelopes, labels and specialty media.

- Compact design easily fits into small spaces for desktop or console configurations.
- Offers up to three paper sources with available 800-sheet maximum paper capacity.
- Supports printing PDF, JPEG, PNG files directly from a mobile device, USB drive or file server.
- True 600 x 600 dpi resolution.
- Scan two-sided colour originals at speeds of up to 40 images per minute or scan two-sided black and white originals at up to 60 images per minute.

- Convenient front-facing USB port provides easy access for direct printing from flash drives and thumb drives.
- Standard PCL® 6 and PostScript®3™ compatible printing delivers clear, crisp professional output.
- Sharp Remote Device Manager (SRDM) provides administrators centralized control of networked document systems which allows limited remote access during system setup, security setting, troubleshooting, usage and status monitoring.

Specifications: BPC131WD
