

## **Smart Colour Multifunction Printer**

### **Elevated Document Security**

# Utilizing leading edge security to protect data and meet regulatory requirements.

The BPC535WR compact colour document systems are intelligently designed to offer advanced security and collaborative capabilities, coupled with exceptional output quality. This model offers the latest engine design, enhanced user experience and security features similar to larger devices.

**Easy-to-use Touchscreen:** Enhanced 7-inch (diagonally measured) full-flat touchscreen delivers an accurate, responsive user experience and provides easy access to features.

**Built-in Security:** In today's ever changing work environments, it's vital to protect endpoint devices from security threats, which is why SHARP uses the latest technology to help your data remain safe.

**Versatile Application Integration:** Maximize productivity and collaboration with easy access to expanded cloud services, quickly connect with mobile devices to print and scan files.

Easily scan documents, business cards and checks using the high resolution scanner.

Easy touch display with customizable menus.

Collaborate on-the-go with quick access to mobile devices.

#### Compact designs with advanced workflow features for virtually any size office.

- Standard copy, print, scan, fax and wireless capability.
- The BPC535WR RSPF (reversing single page feeder) feeds one or twosided originals in batches of up to 50 sheets at a time and scanning speeds up to 40 images per minute.
- BPC535WR can feed letter, legal, statement and business card sized original documents.
- Optional optical character recognition (OCR) function can convert scanned documents to text-searchable PDF, Microsoft Office file formats and more.

- The optional compact PDF feature reduces file sizes of most scanned colour documents and decreases network traffic and storage.
- Access popular cloud services, including Microsoft OneDrive for Business, Microsoft Teams, SharePoint Online, Box.com, Google Drive™, Dropbox and more with the Cloud Connect feature and SHARP Application Portal.
- Direct print from Microsoft Word, PowerPoint and Excel files with thumb drives, cloud applications, network folders and more.
- Offers up to five paper sources with available 2,350-sheet maximum paper capacity.

- Enhanced 7-inch (diagonally measured) full-flat touchscreen delivers an accurate, responsive user experience and provides easy access to features.
- Network ready PCL® 6 and Adobe® PostScript® 3 ™ printing systems deliver up to 35 pages per minute.
- Print Support Application (PSA) is supported by Windows 10 and 11 which enables users to print without a print driver.
- Strong, multi-layered security such as system integrity check, intrusion detection, and optional Bitdefender antivirus help protect your data.

## **Specifications BPC535WR**

BPC535WR	tions  Base models include multitasking controller,	Cloud	tions (continued) OneDrive for Business, Google Drive, Box,	Scan	ing System (continued) Email, Desktop, FTP, Folder (SMB), USB,
