

Monochrome Multifunction Printer

Space Saving Solution with Reliable Performance Designed to fulfill the needs of today's diverse work styles.

The new MXB468F desktop monochrome document system delivers crisp, high-quality output with exceptional ease-of-use. This model provides customers with an intuitive user experience and the confidence of knowing their jobs will come out right the first time, every time. Designed with robust technology and software typically found on full-size workgroup devices, the compact MXB468F delivers the productivity you need with the performance and reliability you want in your workplace or home office.

Ease-of-Use: Intuitive 4.3" (diagonal) touchscreen display offers a user-friendly graphical interface with simplified Easy Modes, integrated user guides and quick access to network services.

Productivity: Copy, print, scan and fax capabilities come standard plus Cloud Connect features and optional wireless connectivity enables users to easily manage their workflow from PCs, smartphones and tablets.

Versatility: Integrates seamlessly with today's complex network environments and supports popular cloud services and mobile technologies. Sharp utilizes system updates to provide feature enhancements and to ensure your machine remains compatible with current technology.

100-sheet DSPF (duplexing single-pass feeder).

Easy-to-use 4.3" touchscreen with tablet style menu.

Front facing bypass tray for specialty media and USB port for easy direct printing from memory devices.

A compact design with advanced workflow features for virtually any size office.

- Productive printing and copying speeds of up to 46 pages per minute.
- Standard PCL® 6 and PostScript® 3™ compatible printing systems deliver crisp, clear documents at up to 46 pages per minute.
- Supports letter and legal size paper through the standard paper drawer and multipurpose tray.
- Standard copy, print, scan and fax capability right out of the box.

- Convenient front-facing USB port for easy direct printing of Microsoft® Office files from a USB drive without having to access a PC.
- 1,200 x 1,200 dpi printing delivers clear, crisp images and text page after page.
- 100-sheet duplexing document feeder scans both sides of a document in a single pass for enhanced productivity.
- 100-sheet multipurpose tray for envelopes, heavy paper and specialty media.

- Supports popular mobile technologies, enabling users to easily print files from smartphones, tablets and notebook computers.
- Offers up to five paper sources with available 2,300-sheet maximum paper capacity.
- Optical character recognition (OCR) compatibility available via third-party applications, allows users to convert a scanned document into a searchable PDF file or editable Word file and Excel file.

Specifications MXB468F
